Founded in March of 1991 as an extension of an annual fall picnic, the POMGC provides support and camaraderie for the owners and families of various British marques throughout central Illinois and the Midwest. Activities are held during the year and include "tech sessions", visits to points of interest such as the Shakespeare Festival Theatre in Bloomington, co-sponsorship of the Champagne British Car Festival in May of each year, caravans to British car meets, colour tours in the fall, and more! Dues have remained at a mere \$10 per family membership per year since the club was organized. Members receive at least two issues of "Morris Matters", the club newsletter, per year in addition to posts and reminders via e-mail when necessary. You need to add your membership in the POMGC to your toolbox as it will come in very handy! Simply fill out the application below and send it to the club address today! *Safety/Fast!*
